### **How Do I Contact an Interpreter?**

- The Archdiocesan Department for Pastoral Care for Persons with Disabilities (PCPD) works with area interpreters who are skilled in religious setting interpreting. Individual parishes can utilize their services by calling the PCPD 215-587-3530. Parishes are asked to assume responsibility for paying the interpreter or make a contribution to the Deaf Apostolate Fund from which interpreters fees are paid.
- Parishes can contact the Deaf-Hearing Communication Center (DHCC), Interpreter Referral Division, 610-604-0450 or the Communication Connection, 610-272-4948
