RCL Faith First[®] Legacy Edition Grades K–8

The following is a cross-reference of the **Faith First Legacy**
Grades K–8 and the Religion Curriculum
Guidelines—Diocese of Trenton

Introduction

RCL thanks you for the opportunity to correlate **Faith First® Legacy Edition** Grades K–8 with your diocesan guidelines. In preparing this correlation, it became clear that the spiral approach to catechesis that is central to **Faith First** revealed that concepts required by the guidelines were sometimes presented earlier, sometimes presented later, and often appropriately revisited on many grade levels.

To help you understand RCL’s correlation of your guidelines with the **Faith First Legacy Edition**, we would like to point out several unique qualities of the **Faith First** program.

- ❑ The structure of the **Faith First Legacy Edition** is based upon the structure of the *Catechism of the Catholic Church*. This structure applies to each level of **Faith First**.
- ❑ The four pillars of the *Catechism of the Catholic Church*—the essential elements of the Catholic faith—are taught at each grade level in age-appropriate ways. This spiral approach opens the opportunity for students, catechists, and families to revisit and deepen their understanding of the doctrines and practices of the Catholic faith many times throughout **Faith First Legacy** K–8.
- ❑ **Faith First** Kindergarten provides the children with a readiness for the study of Sacred Scriptures. The nature and key concepts of Sacred Scripture are presented over the course of **Faith First Legacy Edition** Grades 1–8. One junior high text, *Jesus in the New Testament*, focuses solely on the meaning and structure of the New Testament. In addition to the Scripture stories and references found in every chapter of the **Faith First Legacy Edition** Grades 1–8, there are sixty-eight core Scripture chapters dedicated totally to the study of Sacred Scripture. This is the equivalent of more than two years of Scripture study during a student’s eight years of religious education in grades one through eight.
- ❑ Each core Scripture chapter consists of a “Bible Background,” a Scripture story, and “Understanding the Word of God,” an exploration of the meaning of the story.
- ❑ A special unit with activities and prayerful reflections for teaching the seasons of the liturgical year—Advent, Christmas, Lent, Easter, and Pentecost—is provided at every grade level of the **Faith First Legacy Edition**.
- ❑ The “Our Church Makes a Difference” page in each chapter of **Faith First Legacy Edition** Grades 1–8 helps students, catechists, and families discover the difference the Church has made and continues to make in the lives of Christians and in the world. The children’s Catholic identity is strengthened as they learn how Catholics put faith into action.
- ❑ The “What Difference Does Faith Make in My Life” pages in grades 1–8 invite students, catechists, and families to discover and value the difference that living the Catholic faith makes in their lives. These pages call students, catechists, and families to apply and live what they have learned.

V. PRAYER/WORSHIP

In Junior High, the “Pray” section that concludes each chapter in the student text provides a variety of prayer experiences. Reproducible activities and prayer experiences for teaching and celebrating the Seasons of the Liturgical Year—Advent, Christmas, Lent, Easter, and Pentecost—are found in the *Called to Prayer and Liturgical Lessons* (CP/LL) booklet in the Junior High Class Kit. This also includes Morning and Evening Prayers and blessings for special times.
